Investment Funds under management

FIMA ProActive

- Fund category: Open-end investment fund
- Fund type: small-to-mid cap, value oriented equity
- Date of registration: 04.05.2007
- Portfolio Manager: Miloš Savić, CFA

Principal goal of FIMA ProActive is achieving a high return on invested capital. Investment goal should be achieved through investing in portfolio with moderate number of companies, mostly biggest, well established Serbian public companies, usually paying dividends, with respected ownership structure and adequate corporate governance. It is value oriented fund, with very low turnover. FIMA ProActive primary investment criterion is liquidity. Fund is compared relative to BelexLine Belgrade stock exchange index which is not officially benchmark of the fund.

Top Ten investment of the Fund as of December 2016, by share in NAV:

#	Ticker	Name	Share
1	FITO	Galenika Fitofarmacija ad, Beograd	8,16%
2	AERO	Airport Nikola Tesla ad, Beograd	7,14%

FIMA SEE Activist

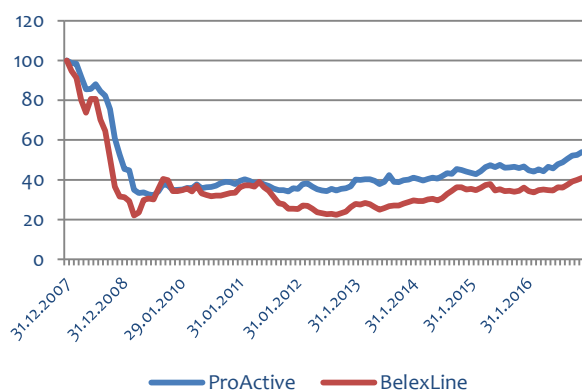

- Fund category: Closed-end investment fund
- Fund type: small-to-mid cap, blended type equity fund
- Date of registration: 05.08.2008
- Portfolio Manager: Miloš Savić, CFA

Principal goal of FIMA SEE Activist is achieving a high return on invested capital. Investment goal should be achieved through investing in portfolio with moderate number of companies. Given the fact that closed-end fund has the stability in the size of assets under management, long term positions were held which has been proven to be right decision in the last couple of years. Fund is currently compared relative to BelexLine Belgrade stock exchange index although it is not an officially benchmark of the fund.
